grew up on Tumblr with unrestricted internet access and then moved to TikTok. made fun of "surface Tumblr" and "straight TikTok"
read south park fanfiction and was part of the fandom on tumblr
restricted internet access probably played with mud
thinks Skype is better then discord, misses the 90's (despite being like 4 in the 90's) and says things like "thinks we're better back in the day"

ranboo is in the UK because tubbo said "ranboo forgot his mic" there was a thing with 8 miss calls yesterday from tubbo to ranboo and ranboo keeps mentioning hotels

I've basically been living on twitch all day,
Spent the morning catching up on vods, then spent the last 4 ish hours on Philza's stream. Now I'm watching Ranboo's.
@thatfakegingerr Seriously TYSM for introducing me to this weird and wonderful community!
